Do you own a crate?

Have you ever completed an AKC title in Obedience or Show/ Breed, Agility, Tracking, Other?

Please list titles

What type of personality are you looking for in your puppy?

Are you willing to spay/neuter this dog?

If not, why?

Are you committed to taking the responsibility and caring for this dog for its lifetime?

Are you financially prepared for not only the cost of a puppy, but regular veterinarian care, feed your puppy the best dog food, obedience or show classes, emergency surgeries, etc.?

Yearly medical exams and twice yearly testing for parasites are required.

Your dog will also require you to clean ears, nails and groom their coat on a regular basis.

Do you understand a Labrador requires and demands a great deal of contact with family and people?

Do you understand that a puppy purchased from us will receive an American Kennel Club Limited Registration?

Why we sell puppies with a Limited Registration: In the interest of maintaining quality within the breed and not contributing unnecessarily to the problem of pet over population, we sell our puppies with an AKC Limited Registration. This means dogs with Limited Registration may not be entered in "breed" competition at Dog Shows but may compete in all other AKC events such as Obedience, Rally Obedience, Tracking, Field Hunt tests. The breeder may later apply to change this designation and have the dog given Full Registration privileges. In recognition of the fact that some buyers eventually develop a serious interest in the sport and hobby of purebred dogs, including possibly breeding quality puppies, the following stipulation is included: the buyer agrees that if it becomes his/her desire to breed this dog and produce carefully planned AKC puppies the buyer agrees to breed only to dogs which have been certified to be free of hip & elbow dysplasia and inherited eye defects. In the event the buyer decides that he/she desires to breed this dog, the breeder will agree to apply to change the Limited Registration to Full Registration if the following conditions are met: 1. The buyer provides written evidence from the Orthopedic Foundation for Animals (OFA) that the dog is free of hip and elbow dysplasia at a minimum age of 24 months. 2. The buyer provides written evidence from a board certified veterinary ophthalmologist that the dog is free of inherited eye anomalies, within six months of the request to change registration status.

(Information about a Limited Registration: <http://www.akc.org/reg/limitedreg.cfm>)

Are you willing to sign a written contract prior to purchase?

List references including name, address, email, phone, relationship to you, years known:

Additional comments or concerns:

Thank you for taking the time to fill in this questionnaire.
